Green Stamp Plus Environmental Accreditation

Level 3 Green Stamp Plus Accreditation has been awarded to MTA member U-Pull-It for both the Elizabeth and Lonsdale sites.

U-Pull-It is the first Auto Parts Recycler in South Australia to receive Green Stamp Plus environmental accreditation.

U-Pull-It used Ecomapping to help document their environmental practices which include an appropriate spill kit, banded storage for waste oil, collecting and using rain water on site and collecting and reusing fuel.

For a full list of accredited businesses or to find out more about Green Stamp Plus Accreditation visit www.greenstampplus.com.au
